

12th ITRS Symposium Themes and Abstract Template

Venue: The University of Hong Kong, Pokfulam Road, Hong Kong SAR

Email: 12.ITRS.Conference@gmail.com

Website: <https://www.itrs-symposium.org>

Themes

Theme 1	Species Distribution Patterns				
	Biogeography	Early life histories & dispersal processes	Range shifts & population dynamics	Extreme events	
Theme 2	Structuring Processes				
	Environmental variability & ecophysiology	Acclimation & adaptation	Behavioural processes	Food web & predator-prey interactions	Community ecology
Theme 3	Natural and Anthropogenic Impacts				
	Anthropogenic & natural disturbances	Artificial structures & urban ecology	Invasion biology	Conservation & restoration
